Hey 👋

Thank you for downloading Agnes, a free HTML landing page designed and developed by @pacovitiello and @DavidePacilio, co-founders of Cruip.com!

What's Cruip.com?

Cruip is a gallery of free HTML landing pages for startups. Our aim is to help makers and early-stage startups with high-quality templates to enhance the design standards of their next big project.

Need a custom solution?

If you're looking for template customisations, or if you're considering a brand new landing page, contact us and we'll be glad to help.

Have questions?

If you've any kind of question or suggestion please feel free to reach us out at hello@cruip.com.

Enjoy Agnes,
Davide & Pasquale - Team Cruip
